Safety

Dear Parents:

I'd like to take a quick moment to ask all parents to remind their little ones about safety. Not only safety at home, but school also. Classroom teachers remind students about playground rules; however, it would be of great benefit if you could reinforce these rules at home.

Playground Safety Rules:

1. Please **walk** on the wood chip areas.
2. **One** person on the slide at a time.
3. Play only **touch** football on the field.
4. Play **away from** the metal fences.
5. **Walk** when going under the metal bridge.
6. Bars outside are for hanging on with **hands only (not gymnastics)**.
7. Discourage wearing **long ropes, necklaces, or chains** at school.
8. Keep **distance** from people while swinging.
9. **Walk** on the concrete track outside.

These rules do not cover every possible situation and you may want to discuss others with your children. This is a team effort and we really appreciate you being on our team.

Thank you and please call for questions or concerns (972) 350 - 4204.
